CLEARY COMMENTS

by R. B. Cleary

Welcome to my third issue as returning editor-in-chief. Please submit news, convention reports, letters of comments, illos, etc. for future publications. The following is blub about SFC by me that was published in the LibertyCon 35 / DeepSouthCon 61 program book.

The **Southern Fandom Confederation (SFC)** is a not-for-profit literary organization and information clearinghouse dedicated to the service of Southern science fiction and fantasy fandom. It focuses on science fiction and fantasy fans residing in the states of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, and Virginia. It exists for the purpose of promoting fan and professional activity within that area. However, any fan from anywhere is welcome. The **SFC** has been and always shall be a non-discriminatory organization.

SFC was founded in 1969 at the **DeepSouthCon** in Knoxville, Tennessee. For over fifty years, it has and continues to serve as a way to bind together southern fans active in and/or interested in southern fandom. Members get voting privileges and access to news, convention information, fanzine listings, membership roster, club lists, and more.

To quote Toni Weisskopf from the *Southern Fandom Confederation Handbook*:

"Southern fandom is something special. Of course, just plain old science fiction fandom is an incredibly neat thing, a cultural phenomenon unique to the twentieth century, an amorphous bundle of splendid contradictions. But Southern fandom is a particularly nice part of that amorphous bundle."

LETTERS OF COMMENT

Dear Randy:

Many thanks for Vol. 11, No. 2 of *The Southern Fandom Confederation Bulletin*, and time to write another loc. I am in a coffee

shop, nice and quiet, as opposed to home, where the balconies are being torn off our side of our apartment building. The coffee smells great, and the sweet temptations beckon. Fortunately, I have lots of work to do here...

Again, my congratulations to the new committee keeping the SFC going. Regina Kirby says she doesn't have kids, she has conventions, and I cannot disagree. We are managing the cavernous Vendors' Hall at our local anime convention, *Anime North*, and I will admit that some of the vendors we are dealing with are worse than kids.

Tom Feller's DSC report brings back fond memories. Where I am, the idea of a fannish convention is also a fond memory. Such conventions had shut down in Ottawa and Montreal, and now, it has shut down in Toronto. If I want one to go to, I'd have to go to Rochester, or the Detroit area. As far as I can tell, there are no fannish conventions left in all of Canada, and I sincerely hope I am wrong

This zine is now a little dated, because I can see on your roster Marty Cantor, who has recently passed away. I am also mourning the passing of folk legend Gordon Lightfoot...all these passing are but pointed reminders of my own age. *{Thanks for the update.}*

Time to go, it's a busy day for both of us. Take care, and see you with the next one.

Yours, Lloyd Penney.
